**Auction:** February 4, 2010

**Minimum Bid:** \$265,000

## CONDITIONS OF SALE:

The property is offered and sold "AS IS", with a minimum bid of \$265,000. A deposit of \$25,000 must be submitted with the "Application to Qualify As a Bidder to Purchase Property by Auction". This payment shall be either Certified, Cashier or Traveler's check payable to the State of New Jersey, State Agriculture Development Committee. A combination of these instruments will be acceptable. No exceptions will be made. A personal or business check that is not certified is not acceptable. Applications and deposits, submitted to the State Agriculture Development Committee, P.O. Box 330, Trenton, NJ, 08625, must be in writing and received by the SADC prior to the auction. Bidders can submit application and deposit the day of the auction. Registration will begin an hour before the auction. If a partnership or corporation is going to be a bidder, it will be the responsibility of the bidder to submit appropriate proof to the SADC that the bidder is authorized to bid.

The public auction will be held on February 4, 2010 at 11am at the Salem County Agricultural Complex, 52 Cheney Road, Woodstown, New Jersey 08098. The successful bidder will be required to sign an Agreement for Sale of Property by Auction within five days of the close of the auction. A copy of this Agreement is available for inspection upon written request. The balance of the total purchase price is payable at the time of transfer of title. **The sale is not conditioned on the buyer obtaining financing or local approvals.**

This public auction has been authorized by the State Agriculture Development Committee (SADC). Any conveyance of this property by the SADC shall include a covenant that:

- 1) prohibits any development of the premises for non-agricultural purposes;
- 2) states that the land shall be retained for agricultural use and production;
- 3) shall run with the land in perpetuity;
- 4) states that the severed development rights shall be held by the State of New Jersey, SADC. The SADC shall monitor and enforce the covenant and the restrictions listed in the Deed;
- 5) The following conditions will also apply to the property:
  - a. In the event that the existing single-family residence is replaced, the maximum heated living space of the new single-family residential unit shall not exceed 3,500 square feet and an allocation of 1,000 square feet of building footprint for ancillary structures such as porches, decks, and garages.
  - b. Any improvements to the existing single-family residential unit shall not exceed a maximum heated living space of 3,500 square feet including the existing residential unit and an allocation of 1,000 square feet of building footprint for ancillary structures such as porches, decks, and garages.
  - c. There shall be no division of the Premises allowed.
- 6) A "Preserved Farmland" sign shall be posted on the property.
- 7) The existing single-family residence shall not be re-designated as an agricultural labor housing unit.

## THE PROPERTY:

The subject property has frontage along Porchtown, Alvine, and Crow Pond Roads.

Based on the USDA, Natural Resources Conservation Service soil survey, approximately 93% of the soils are classified as Prime farmland. Approximately 45% of the acreage is tillable crop land. There is no water allocation for the property but the new buyer could call the NJDEP Bureau of Water Allocation at 609-292-2957 for a water certification application.

One single-family residential dwelling exists on the property. In the event that the existing single-family residence is replaced, the maximum heated living space of the new single-family residential unit shall not exceed 3,500 square feet and an allocation of 1,000 square feet of building footprint for ancillary structures such as porches, decks, and garages. Any improvements to the existing single-family residential unit shall not exceed a

maximum heated living space of 3,500 square feet including the existing residential unit and an allocation of 1,000 square feet of building footprint for ancillary structures such as porches, decks, and garages.

There are several barns and outbuildings on the property.

The construction of agricultural buildings is not limited by the deed restrictions.

**Utilities:** Public Utilities: Electricity and telephone are available to the site.

**Zoning:** Rural Agriculture: Note: The subject property is deed restricted for agricultural purposes in perpetuity.

**Taxes:** Estimated Real Estate Taxes: \$5,900

**Environmental**

**Site Assessment:** A Phase I Environmental Site Assessment report is available for review at the SADC office.

**Survey and Title:** A survey certified to the SADC will be furnished to the Purchaser for informational purposes only. The SADC will not issue a survey certification to Purchaser. If Purchaser wishes to obtain a survey certified to Purchaser or its title insurer, Purchaser has the option to obtain such survey as Purchaser's cost and expense. A title search may be obtained at the discretion of the Purchaser.

**Housing Opportunity:** The SADC is selling a preserved farm pursuant to N.J.S.A. 4:1C-31(f). Although a structure previously used as a residence is included in the sale, the SADC makes no representation regarding the habitability of the house. The structure has been vacant during SADC's ownership. SADC will not make any improvements to the structure and makes no representation that a certificate of occupancy or smoke detector certificate could be issued for the structure in its present condition. There is also a well on the property. SADC makes no representation regarding the suitability of this well for potable water purposes. Purchaser may have the well tested in accordance with Well Testing Act NJSA 58:12A-26. However, the results of any such test shall not provide the purchaser with any right to terminate the purchase agreement. Purchaser shall be responsible for complying with all federal, state or local laws and regulations prior to occupying the residence.

**FARM TOUR:**

SADC staff will lead tours of the property and will answer questions that interested persons may have regarding the property. Those interested in attending the farm tour should meet at the Schroeder Farm, at 128 Alvine Road at 11:30am on December 9, 2009 or January 13, 2010.
